Amendment dated July 17, 2006

#### REMARKS/ARGUMENTS

Entry of the present Amendment under 37 CFR 1.312 is respectfully requested. The present application was allowed without issuance of an Office Action. Upon receiving the Notice of Allowance, Applicants studied the present application and determined that certain errors were present in the application which should be corrected for proper disclosure and/or protection of the invention. The amendments require no substantial amount of additional work on the part of the Examiner and the Patent Office. Therefore, Applicants respectfully request that the amendments be considered and entered.

#### DRAWINGS

It has been discovered that certain reference numerals in figures 4, 6 and 8 of the drawings are improper, as noted in the Annotated Sheets Showing Changes. Corrections are required to be made to the drawings to conform to the Detailed Description.

#### WRITTEN DESCRIPTION

Upon review of the present application, it has been discovered that certain changes are required to the written description to place the written description in better form for allowance.
